

49-51 Crawford Street - Seller Cost Comparison

Estimated commission, NJ Realty Transfer Fee, and Graduated Percent Fee at target sale prices

Assumptions: 3% listing commission + 2% selling-agent commission. NJ Realty Transfer Fee is calculated using the standard transaction rate schedule for consideration over \$350,000. The Graduated Percent Fee applies only when consideration is more than \$1,000,000.

Item	\$950,000 Sale	\$1,000,000 Sale	\$1,050,000 Sale
Sale price	\$950,000	\$1,000,000	\$1,050,000
Listing agent commission - 3%	\$28,500	\$30,000	\$31,500
Selling agent commission - 2%	\$19,000	\$20,000	\$21,000
Total commission - 5%	\$47,500	\$50,000	\$52,500
NJ Realty Transfer Fee	\$8,995	\$9,575	\$10,180
NJ Graduated Percent Fee	\$0	\$0	\$10,500
Total estimated selling costs shown here	\$56,495	\$59,575	\$73,180
Estimated net before mortgage payoff, attorney, title, municipal charges, prorations, repairs, etc.	\$893,505	\$940,425	\$976,820

Key seller-net takeaway

Crossing from \$1,000,000 to \$1,050,000 still creates more net proceeds, but the additional 1% Graduated Percent Fee meaningfully reduces the gain. Based on these assumptions, the estimated seller net increases by about \$46,920 from \$950,000 to \$1,000,000, but only about \$36,395 from \$1,000,000 to \$1,050,000.

Net increase comparison

Price jump	Gross increase	Added commission	Added NJ transfer/GPF fees	Approx. net increase
\$950,000 to \$1,000,000	\$50,000	\$2,500	\$580	\$46,920
\$1,000,000 to \$1,050,000	\$50,000	\$2,500	\$11,105	\$36,395

Notes

- This is an estimate for discussion/planning only. Confirm final closing figures with the title company and closing attorney.
- The estimates do not include mortgage payoff, attorney fees, title/settlement fees, municipal certificate costs, inspection/repair credits, lien payoffs, tax/water prorations, or any property-specific exemptions.
- Source: New Jersey Division of Taxation, Realty Transfer Fee page. The State states that the RTF is imposed on the seller and that the Graduated Percent Fee applies when consideration is more than \$1,000,000; the rate is 1% for transfers over \$1,000,000 and not over \$2,000,000.
