DSCR 1.30 · 8.2% cap · ~10% cash-on-cash

Est. cash to buy ~\$218,500

Rents all three; no owner unit.

Estimates for illustration only. Assumes purchase price \$949,999, property tax \$13,277/yr, insurance \$3,000/yr, 30-year fixed financing, and ~3% closing costs; Option 1 adds ~0.5%/yr mortgage insurance. Rents (\$2,750 + \$2,750 + \$2,350) are projections, not guaranteed; owner-occupant options rent two units, DSCR rents all three. Net cost / cash flow excludes vacancy, maintenance, and utilities.
